BUDGET MESSAGE

I. GENERAL

To the Residents of the Borough of Bergenfield:

The 2014 Budget submitted herewith reflects the amount necessary for the support of the Municipal Operations.

Comparison of Tax Rates

At this time the Governing Body is unable to project with accuracy the overall tax rate for the community, since both School and County tax requirements have not yet been finalized.

Mayor and Council only have the authority to approve the "Local Municipal Budget". It is anticipated that there will be a \$0.019 tax increase in the 2014 municipal tax rate.

II. APPROPRIATIONS "CAP"

Chapter 68, Public Laws of 1976 and the 2004 revisions of Chapter 74, place limits on municipal expenditures commonly referred to as the "CAP", which is actually calculated by a method established by the Law. The actual calculation is somewhat complex, but in general it works as follows: Starting with the 2013 Budget for Total General Appropriations, the following figures are deducted: Reserve for Uncollected Taxes, Debt Service, Capital Improvements, Other Operations Excluded from the "CAP", Emergency Authorizations and State or Federal Aid.

Multiplying this figure by 0.5% gives you the basic "CAP" or the increase in appropriations over the 2013 Total General Appropriations.

Other allowable increases are as follows:

- Increases funded by the added valuation from new construction and improvements.
- Amounts approved by referendum.
- Amounts available from prior year "CAP" banks.
- " '"CAP" index ordinance for 3.5%.

The actual "CAP" for this municipality is subject to review and approval by the Division of Local Government Services in the State Department of Community Affairs. Calculation upon which this budget was prepared is as follows:

Total General Appropriations for 2013 (as adopted)

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET	- A plan for all capital expenditures for the current fiscal year. If no Capital Budget is included, check the reason why:
	Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
y B	No bond ordinances are planned this year.
CAPITAL IMPROVEMENT PROGRAM	- A multi-year list of planned capital projects, including the current year. Check appropriate box for number of years covered, including current year:
	3 years. (Population under 10,000)
	X 6 years. (Over 10,000 and all county governments)
	years. (Exceeding minimum time period)
	Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

Sheet 40 C-1

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The following set of schedules project the capital needs for the Borough durante the period 2014 through 2019. The Capital Improvement Fund does not appropriate funds; thus neither the Mayor nor the Governing Body are firmly committed to its implementation. This program is flexible and can be amended at anytime, increasing or decreasing amounts, and/or adding or deleting items, depending on the most immediate set of priorities of the Borough. Whenever convenient your Governing Body will make further determination as to needs and methods of financing.
